ARCON

Advanced Contracting

Company **Profile**

About **Us**

Founded in 2023, it is backed by a team with over 15 years of experience in providing integrated construction solutions.

We are committed to Saudi Arabia’s Vision 2030 by developing modern projects that meet the highest standards of quality and innovation.

Thanks to our advanced technologies and professional approach, we aim to be the first choice for our clients by delivering high-quality results that meet their expectations in the contracting sector across the Kingdom.

We blend innovation, precision, and integrity to deliver high-quality construction solutions tailored to modern needs. With a proven track record across residential, commercial, and infrastructure projects, we are committed to building not just structures but lasting value.

VISION & **MISSION**

VISION

To be pioneers in shaping the future of urban development in Saudi Arabia through innovative and sustainable contributions that enhance our leading position in the contracting sector at both local and regional levels, in line with Vision 2030. We aim to inspire future generations with exceptional quality and innovation.

MISSION

We aim to build an architectural legacy through the provision of integrated construction solutions based on quality and safety, while enhancing our partnerships with clients and the community through efficiency and commitment to the highest local and international standards and fulfill the aspirations of Vision 2030 and the well-being ofSaudi society.

ARCON **Strategy**

We follows clear approach to achieve leadership in the contracting sector in the Kingdom through:

Quality Execution

Smart Construction

Skilled Workforce

National Development

Project Control

Strategic Partnerships

ARCON **Values**

INTEGRITY

Believe in honesty, transparency, and ethical practices in our Work.

INNOVATION

Embrace creative solutions and cutting-edge technologies to enhance our projects.

SAFETY

Ensure the delivery of outstanding work that meets the highest quality standards.

ARCON **Services**

ENTERTAINMENT SECTOR

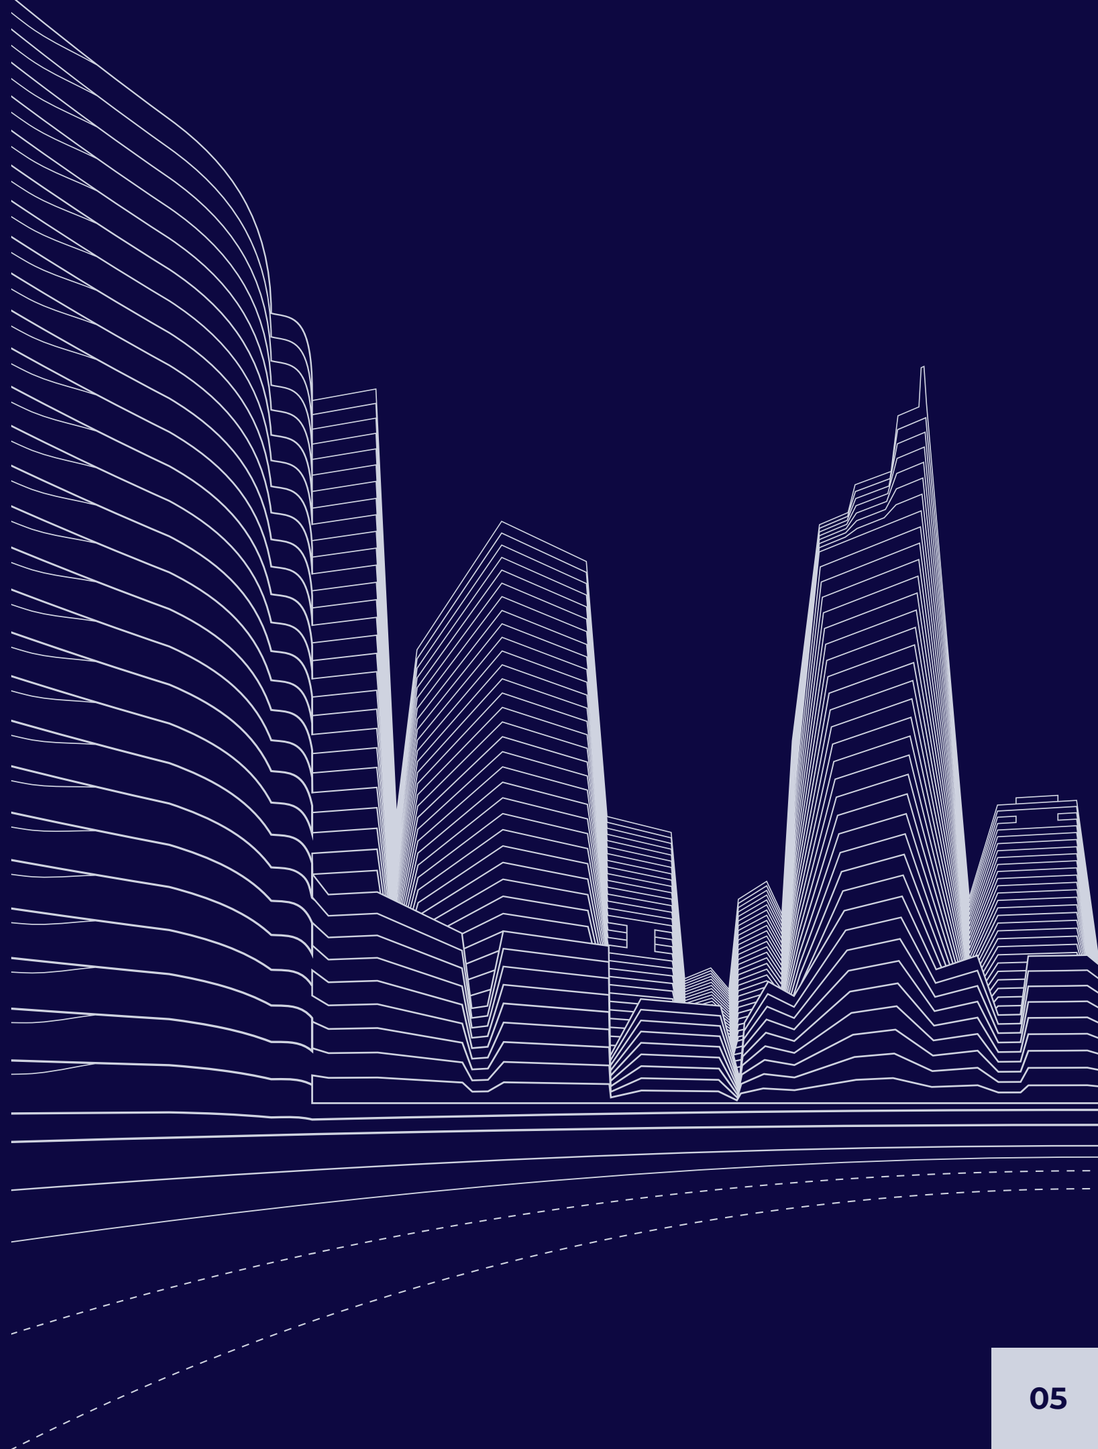

Developing innovative recreational facilities that combine safety, enjoyment, and meet the highest quality standards

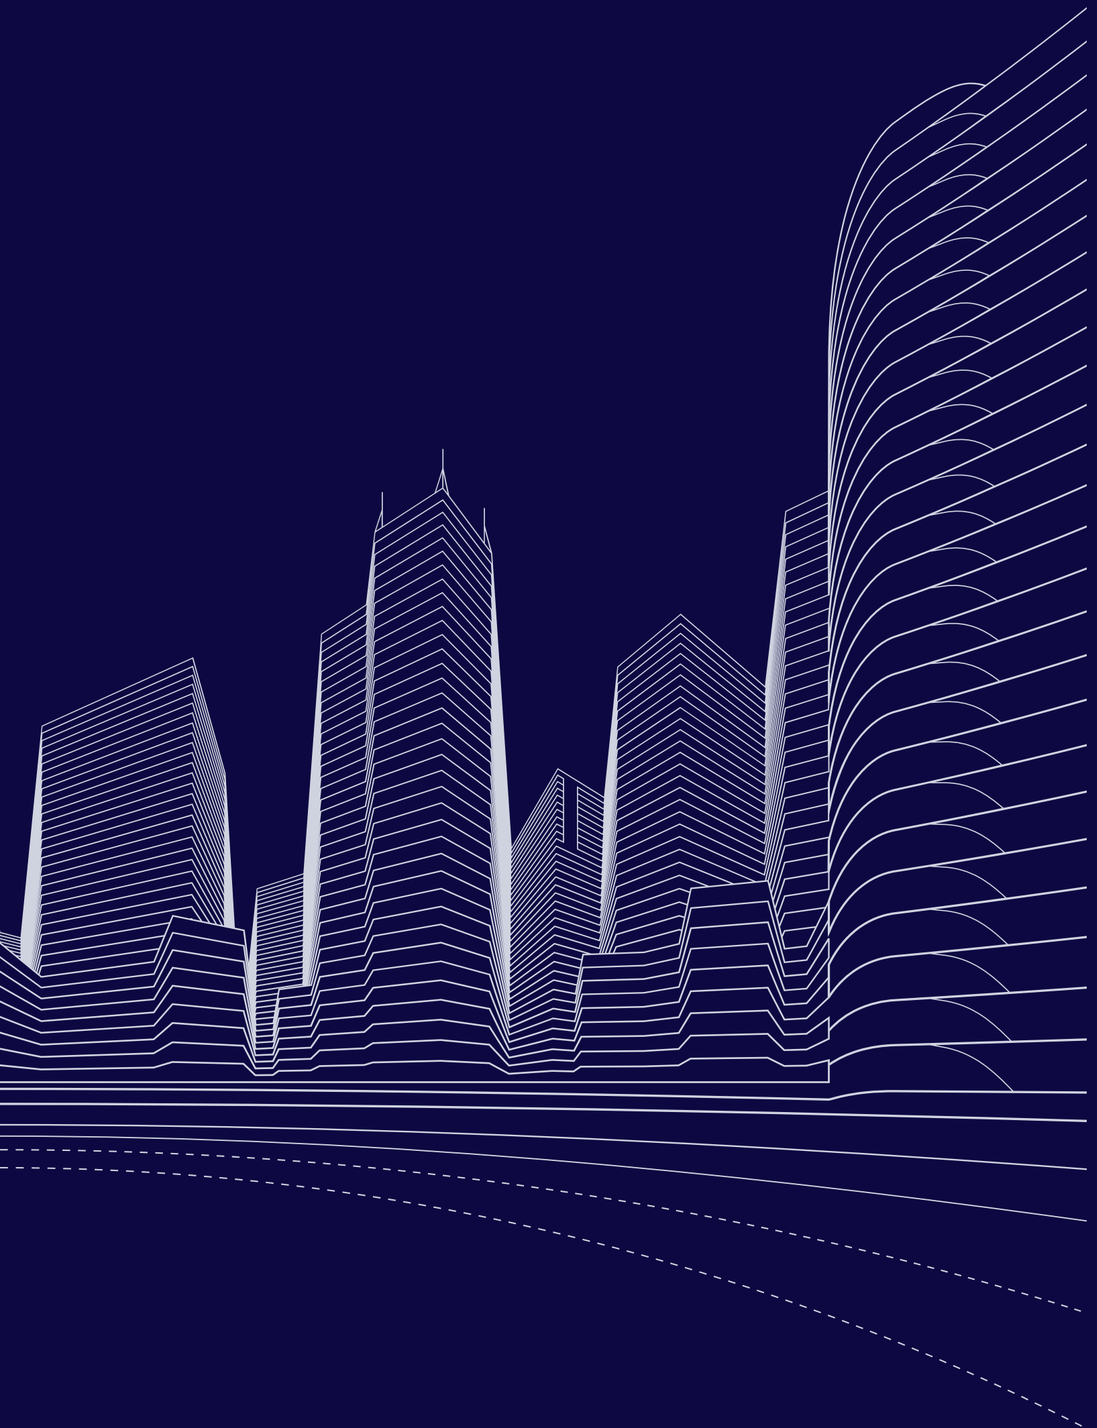

RESIDENTIAL & COMMERCIAL

Creating modern structures that stand out for their smart design, durability, and engineering excellence

MANUFACTURING MATERIAL

Producing and supplying high-quality materials such as wood, Steel Forming to support various projects efficiently and reliably

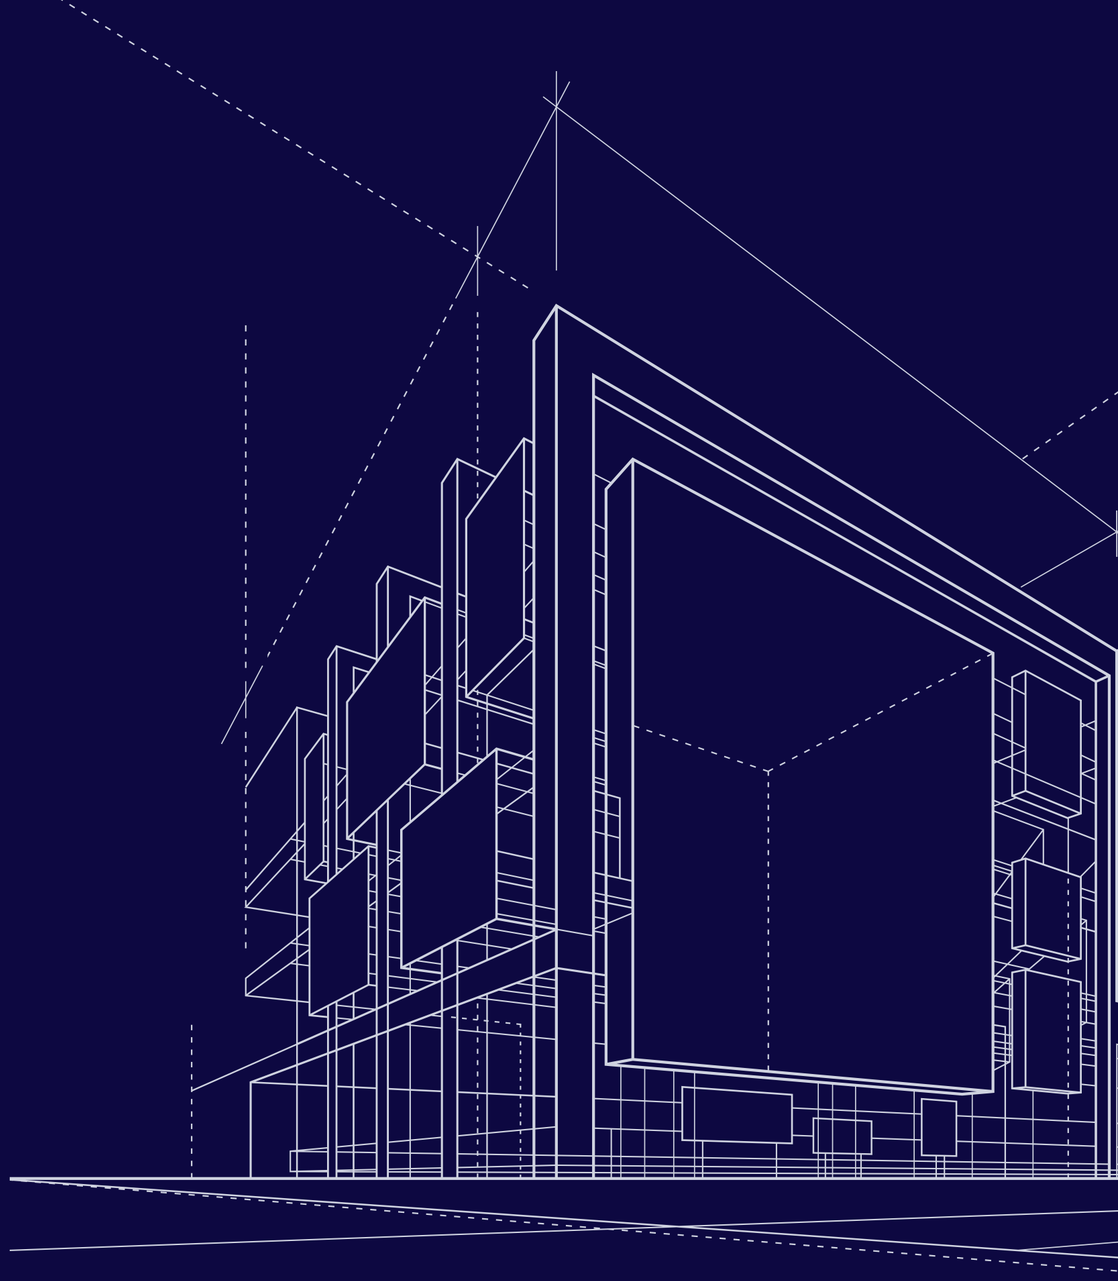

ARCON **Projects**

we believe that every project tells a success story written with quality and excellence. With our extensive experience and professional team, we have implemented outstanding projects that reflect our commitment to international engineering standards and attention to detail in execution timelines.

ARCON
Track Record

We take pride in our proven track record of delivering real projects across our key focus areas, Our executed projects stand as a testament to our expertise and dedication in each of these sectors.
